

**JAYME'S
CANINES**
BOARD & TRAIN

THE HEEL COMMAND

WHAT IS THE "HEEL" COMMAND?

The 'heel' command is essential in training because it teaches your dog to walk closely by your side, maintaining a controlled position.

This command is usually positioned at your left side.

This command involves an imaginary bubble around you.

It enhances control over your dog in different environments and improves focus and discipline during walks.

WHAT "HEEL" PROMOTES

focus

discipline

leash manners

prevents pulling

safety

control
