CANINES**  
BOARD & TRAIN

# THE **OFF** COMMAND

## WHAT IS THE "OFF" COMMAND?

---

The 'off' command is important in training because it helps manage and correct unwanted behaviors such as jumping on people or furniture, chewing a shoe etc. Any behavior you don't want your dog to be doing you use the word "off" and give a correction.

## WHAT "OFF" PROMOTES

- better manners
- preventing accidents or damage
- order & control
- safety
- improving interaction  
& behavior
